**ADDENDUM TO
MEMORANDUM OF UNDERSTANDING
BETWEEN
THE SECRETARY OF DEFENSE ON BEHALF OF
THE DEPARTMENT OF DEFENSE OF THE UNITED STATES OF AMERICA
AND
THE SECRETARY OF STATE FOR DEFENCE OF THE
UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND
CONCERNING
COOPERATIVE MILITARY SURVEYS**

Pursuant to Article VIII.1, Amendments and Disputes, and Article IX.1, Duration, Withdrawal and Termination, of the attached subject Memorandum of Understanding between the Department of Defense of the United States of America and the Secretary of State for Defence of the United Kingdom of Great Britain and Northern Ireland dated 4 January 1996, the signatories representing the United States Navy and the Royal Navy do mutually agree to extend subject Memorandum of Understanding for an additional five (5) years to expire 3 January 2006.

The Director, Naval Surveying, Oceanography and Meteorology (DNSOM) has assumed the responsibilities of the Hydrography of the Navy under this MOU. All references to the Hydrographer of the Navy shall be replaced by Director, Naval Surveying, Oceanography and Meteorology (DNSOM).

All other provisions of subject Memorandum of Understanding are to remain in force until 3 January 2006 and are further renewable by mutual consent.

For the Secretary of Defense on behalf
of the Department of Defense of the
United States of America

Kenneth E. Barbor
Rear Admiral, U.S. Navy
Commander, Naval Meteorology and
Oceanography Command

Date: 17 August 2000

For the Secretary of State for Defence of
the United Kingdom of Great Britain and
and Northern Ireland

Stephen J. Auty
Commodore, Royal Navy
Director of Naval Surveying,
Oceanography, and Meteorology

Date: 17 August 2000
